To whom it may concern,

Atcen Sdn Bhd has always been one of our favorite capacity development partners we ever had. In 2019, we had a chance to collaborate in a Team Building project and leadership workshops. The trainers were using real life examples to demonstrate the essence of learning topics through engaging learning activities.

Best of the best- Atcen Team is committed and professional throughout the programs' coordination. They listen and tackle our training needs while providing the best advice to recommend the right course. Plus, each of our constructive feedback was considered and addressed efficiently.

A great thank you to the team, especially Ms. Shera for always being available to answer inquiries and to provide advisory with the most interest to develop our talents. We are pleased to have Atcen Sdn Bhd as one of our training support partner and we are looking forward to our future collaboration.

Sincerely,

Amirul Majid  
Assistant Manager, Learning & Development,  
Al Futtaim Group of Companies.
