Workshop Description

All businesses operate in a competitive global environment. A good business Leader needs to understand how the business environment changes, responds well to the changes and can, foresees trends and ensure their team succeeds in the execution process.

In this 3-day program, the participants will undergo a series of facilitated exercises and activities to improve their Leadership abilities, strategic thinking and business acumen skills. A solid foundation of the above will help you to think strategically and tactically to implement sound strategies to move the organization forward.

www.atcen.edu4u.today
